

THE MAIN HALL

This beautiful space is perfect for large weddings, receptions, dining, recitals, dances, and parties of all kinds. There is a lovely grand piano, choir risers that can also be a stage, and an up-to date sound system that not only can amplify your words or music, but can record them onto CD.

At the front of the Main Hall is a lovely lobby with art work from local artists. The lobby can be used as greeting area, a place for presents or an appetizer arrangement, and many more ideas.

At the back of the Main Hall is a fully equipped kitchen just waiting for your caterer to come and prepare your meal.

Both the Main Hall and Fireside Room open directly onto the patio through large patio doors.

The patio is a wonderfully shaded area perfect for receptions, dining and/or dancing. Its paved surface is shaded by trees and generously landscaped.

THE FIRESIDE ROOM

For smaller gatherings the Fireside Room is just perfect. There is a grand piano, a working fireplace, a pull down projector screen, and an up-to-date audio system.

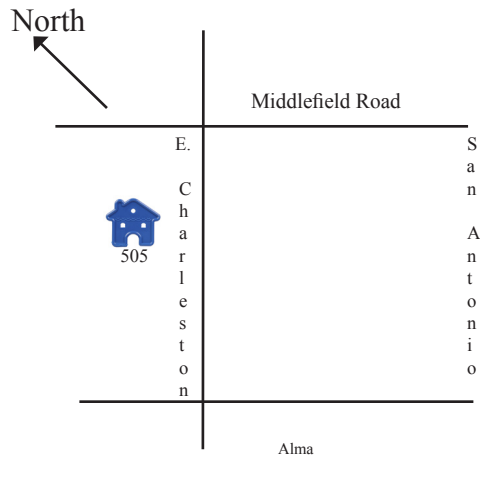

To the back, there is a small pantry with an under counter refrigerator, sink and counter space so there is room to prepare appetizers and snacks.

With its large patio doors open to the courtyard, it is ideal area for indoor/outdoor parties of all kinds.

Or use this room for your reception buffet and the Main Hall for your ceremony.
